FOR IMMEDIATE RELEASE

Work to Begin on Sound Wall/Retaining Wall on Northbound Highway 92 Off Ramp

San Mateo County – Beginning on the week of June 18, Caltrans will start constructing a new retaining wall/sound wall on the westbound Highway 92 off ramp to northbound El Camino Real. The work is currently scheduled to take place during weekdays between the hours of 6:00 am and 5:00 pm. The work should be completed by end of October 2017.

The work will occasionally require the closure of the off-ramp during the night-time hours, along with occasional lane closures. The sidewalk on the southbound direction of El Camino Real will be subject to periodic closures. Pedestrian traffic will be detoured to the northbound side of El Camino Real for traffic between 17 and 20 Avenues. Access to the bus stops and businesses will be maintained.

Drivers are advised to expect delays and encouraged to take alternate routes if necessary. Remember that traffic fines are doubled in construction zones. Please “Slow For The Cone Zone.”
